DAY 1 Continued: Wednesday, June 27th

<p>Lunch: <i>Investing in Seattle Industry</i></p>	<p>Lunch presentations:</p> <p><u>Georgetown Crossroads</u> – Rick Kolpa, Prologis Now under construction along East Marginal Way, Georgetown Crossroads will be a state-of-the art industrial warehouse and maker space that has received national recognition from the Wall Street Journal and others. Learn why Prologis is investing in Seattle’s industrial base.</p> <p><u>Industry Space</u> – Johnny Bianchi 10 start-up manufacturing companies found homes at Industry Space in South Park. Located inside the former home of Seidelhuber Ironworks, Industry Space provides a good home for companies making an amazing variety of products.</p>	<p>12:00 to 1:15</p>
<p><u>Tour</u> <i>Nucor Steel</i></p>	<p>The Nucor Steel mill in West Seattle has been supplying the Northwest and beyond with steel products used in construction since 1905. It is the largest recycler in the State of Washington and proud to produce products at a fraction of the environmental footprint of its competitors.</p>	<p>1:30 to 3:00</p>
<p><u>Tour</u> <i>Vigor Industrial</i></p>	<p>Vigor Industrial operates a shipyard on a 27-acre site on Harbor Island at the south end of Elliott Bay. Vigor is the leading provider of shipbuilding, complex fabrication and ship repair in the Pacific Northwest with facilities in Oregon, Washington and Alaska.</p>	<p>1:30 to 3:00</p>
<p><u>Tour</u> <i>Industry Space</i></p>	<p>Seattle’s Bianchi family helped grow B&G Machine from a machine shop in a garage to a highly successful business rebuilding diesel engines for a global customer base. Today, Johnny Bianchi runs Industry Space, giving brand new companies the chance to replicate the success of B&G and thousands of other manufacturing companies in Washington.</p>	<p>1:30 to 3:00</p>
